RE: Intellectus Health Research Grant

Dear Grant Reviewing Committee,

Throughout this letter, I recommend my trainee, Karen Ocasio as a qualified candidate for the offering grant. Her skills and qualifications had brought immediate value to the Ponce Health Science University (PHSU).

As a Graduate Research Assistant role, Ms. Ocasio has proven to show a calculated and methodical approach to problem-solving. I believe her critical thinking, communication, and observation abilities will be supported with the grant for the publication of her very first paper. Because her professional goals align with the Fundación Intellectus's mission and values, this opportunity is especially exciting.

I'd be happy to provide greater detail about Ms. Ocasio experience during an interview. Please call me at your earliest convenience.

Sincerely,

A handwritten signature in blue ink that reads "Carlos F. Señas Hernández".
